

# CLEAN ENERGY **CHOICE** for your Home or Business

The Clean Energy Choice program allows Buffalo Municipal Utility customers to receive up to 100% of their electricity from environmentally friendly, renewable sources.

Residential Customers:  
Today, 20% of your energy usage comes from renewable energy. When you enroll in Clean Energy Choice you can increase that percentage for as little as \$1 per month - **the choice is yours.**

The Program adds a monthly charge to your electric bill.

**1** 50% Renewable Energy

**2** 75% Renewable Energy

**3** 100% Renewable Energy

## BUSINESS CUSTOMERS

- An Incremental charge of \$0.002 per kWh above regular retail rates.
- The charge is only applied to kWh in excess of the 20% Minnesota Renewable Energy Standard.
