Sec. 4-142. Temporary malt liquor license.

- (a) *Permissible applicants.* A club or charitable, religious, or nonprofit organization, duly incorporated as a nonprofit or religious corporation under state law and having its registered office and principal place of activity within the city, shall qualify for a temporary on-sale malt liquor license, for serving malt liquor on school property or church property.
- (b) *Issuance discretionary.* The administrator may, but at no time shall he be under any obligation whatsoever to, grant a temporary malt liquor license. The administrator shall verify that the information contained in the application is true and correct and that the applicant has no previous violations. If the administrator determines that restrictions or conditions are warranted, the application shall be referred to the city council for review.
- (c) *Application content; maximum term of license.* The application shall state the exact dates and place of proposed temporary sale. No temporary license shall be issued for a term of more than 30 days.
- (d) *Police presence at alcohol sales events.* The police department may provide security and crowd control on the licensed premises during the hours of authorized sales. The police chief will be responsible for determining the type and level of staff to be allocated for these events. Sworn or non-sworn staff may be utilized for these purposes at the discretion of the police chief.
- (e) *Financial responsibility.* If the premises to be licensed are owned or under the control of the city, the applicant shall file with the city, prior to issuance of the license, a certificate of liability insurance coverage in at least the sum of \$50,000.00 for injury to any one person and \$100,000.00 for injury to more than one person, naming the city as an insured during the license period. Such license shall be issued only on the condition that the applicant will not sell in excess of \$10,000.00 (retail value) worth of malt liquor in any calendar year, and thereupon shall be exempt from proof of financial responsibility as provided for herein.
- (f) *Fee.* Each license issued under this section will be subject to a public safety fee, which will be for the purpose of engaging additional police department presence during such events throughout the city. The amount of this fee shall be as provided in the city fee schedule.

(Code 1985, § 5.31)

State law reference(s)—Limitation on number of temporary licenses that may be issued, M.S.A. § 340A.410(10).

Sec. 4-87. Temporary on-sale liquor license.

- (a) *License authorized.* Notwithstanding any provision of this Code to the contrary, the council may issue a license for the temporary on-sale of liquor in connection with a social event sponsored by the licensee. Such license may provide that the licensee may contract with the holder of a full-year on-sale license, issued by the city, for liquor catering services.
- (b) *Permissible applicant.* The applicant for a license under this section must be a club or charitable, religious, or other nonprofit organization in existence for at least three years.
- (c) *Terms and conditions of license.* Temporary licenses are subject to the following terms and conditions:
 - (1) No license is valid until approved by the commissioner of public safety.
 - (2) No license shall be issued for more than three consecutive days.
 - (3) All licenses and licensees are subject to all provisions of statutes and this Code relating to liquor sale and licensing, except those relating to financial responsibility and insurance, and except those which by their nature are not applicable.
 - (4) Licenses may authorize sales on premises other than those owned or permanently occupied by the licensee.
- (d) *Fee.* Each license issued under this section will be subject to a public safety fee, which will be for the purpose of engaging additional police department presence during such events throughout the city. The amount of this fee shall be as provided in the city fee schedule.
- (e) *Police presence at alcohol sales events.* The city police department may provide security and crowd control on the licensed premises during the hours of authorized sales. The police chief will be responsible for determining the type and level of staff to be allocated for these events. Sworn or non-sworn staff may be utilized for these purposes at the discretion of the police chief.
