What is Flora of Buffalo?

The annual flower program is a great way to beautify our community and make it a more welcoming place for everyone. Your donations fund this beautification program.

1

Community Involvement

Every year the City reaches out to our residents and local businesses for donations to help us maintain our beautiful floral displays. Due to the generous contributions and financial support from our community the City has been able to continue to provide these wonderful floral displays which make our community stand out.
