

Enjoy Buffalo!

The City of Buffalo Parks and Recreation Department is proud to offer our residents and visitors a diverse system of neighborhood parks and regional parks. **Sturges, Griffing** and **West Pulaski** parks are located on scenic Buffalo and Pulaski Lakes and are summer recreational favorites, while **Bentfield Mills Park** is the echo center for baseball, softball and soccer games and tournaments. For a complete list of all or parks and their amenities please see the back page of this brochure.

Since 1938, **Buffalo Municipal Liquor Operations** has invested millions of dollars of profits back into our parks and community from our two locations: Buffalo Wine & Spirits on Hwy 55 and Downtown Wine & Spirits in historic and beautiful downtown Buffalo.

Wild Marsh is more than a golf course - it's a lifestyle!

Designed by Tour Player, Graham Marsh in 2000, this 18-hole championship design features bent grass tees, fairways and greens. Players rave over the intriguing design, natural features and outstanding course conditions. The fairways are generous, the large multi-tiered greens are well bunkered and the course borders two beautiful lakes.

Recent renovations have made the course more enjoyable for the occasional player, but have kept the course equally challenging for the most experienced golfers.

Wild Marsh offers:

- Golf Pro Shop
- Wild Marsh E - Club
- Corporate Golf Tournaments
- Golf Leagues for Men, Women, Seniors & Junior Golfers
- Bar & Restaurant for Meetings, Receptions and Dining
